Ona Vacation Club

- Ona has serviced and managed Timeshare resorts for over 25 years, adapting and transforming to the needs of today's industry
- Today after many years, Ona is a reference thanks to its vast knowledge and huge experience in the Timeshare industry
- Ona started with their first resort in Costa Dorada and since has expanded the brand all over Spain, finding the perfect balance between the Hotel and Timeshare business
- The company continues in expansion, not only in the Management of Timeshare resorts but also the Hotel business, this year reaching a total of 41 properties
- Ona's model allows them to offer more to members than just the traditional product
